## Caveat

The sample documents in *AILA’s Immigration Law Practice and Procedure Manual: A “Cookbook” of Essential Practice Materials* are just that—samples. Read each document carefully and adapt it to meet your specific needs; and don’t forget that the law can change quickly. As a result, *it is imperative that practitioners supplement the information provided in this publication in order to keep up to date.* In addition to primary sources of law, practitioners are encouraged to review AILA’s website for the latest information and developments in immigration law and policy.
